

## Property Valuation & Advisory (WA) - response to COVID-19

We would like to assure the public, and particularly our valued clients, that we are constantly monitoring the situation regarding the impact of Coronavirus Disease 2019 (COVID-19). In response we have put measures in place to ensure that our business will continue to operate as normal where possible.

### Self-care Risk Minimisation

Staff have been educated in self-care hygiene practices and instructed to follow the guidelines set out by the Australian Government Department of Health on how to protect ourselves and others.

### Contact Availability

Our reception, telephones and emails will continue to be monitored as usual. Should anything change in this regard we will communicate with clients via email. Our contact details are as follows:

Phone: (08) 6500 3600

Email: [info@pvawa.com.au](mailto:info@pvawa.com.au)

Address: Unit 2, 168 Stirling Highway, Nedlands 6009

### Valuation Inspections

We will continue to inspect properties for valuation purposes subject to any restrictions placed on us by Federal Government, State Government, institutions or individuals.

### Employee Remote Access

Should any of our valuers be required to self-isolate, they have the capacity to work remotely. At this stage (16 March 2020) we have no intention of enforcing a 'stay at home' policy to all staff.

In short, we have the capacity to continue 'business as usual', and we will strive to continue to deliver a high level of service to our clients.

Please contact us if you have any concerns

Kind Regards

The Team at Property Valuation & Advisory (WA)

**Our Team of Valuers** at **Property Valuation & Advisory** have extensive experience in the valuation of property assets. Please contact us if you would like more information, or to discuss a valuation requirement.
